

The magical world of First Ballet with Melody Bear®

Welcome to the Melody Movement® First Ballet with Melody Bear® programme. First Ballet progresses on from Melody Movement classes. Melody Bear® and Milligan Bear® love to dance with all the boys and girls. They also love to reward children for progress. Melody's favourite part of the class is handing out stickers! There are thirty-six different movements to collect. Available with Milligan Bear too!

In our classes we talk about Cinderella at the ball. It is midnight and she is running away. Oh dear, she has lost her shoe. We are dancing at the ball like Cinderella. We listen to the music and count the 12 chimes of the clock. We also have adventures with Milligan Bear. We collect our ballet stickers in a special book and work towards our Final Melody Bear Award.
