

The magical world of Melody Bear® Melody Movement® early learning

Welcome to the Melody Movement® early learning programme. Melody Bear® and Milligan Bear® love to dance with all the boys and girls. They also love to reward children for progress. Melody's favourite part of the class is handing out stickers! In our classes we look at pictures and talk about stories. The pictures give us ideas for our dances. It's fun to pretend it's sports day and try to jump high and run fast. We take a train journey too and have adventures with Milligan Bear. We collect stickers on cards to remind us of everything we've learnt and all the fun we've had.

Children work through a total of six cards. Each card contains spaces for six stickers and the cards are completed in numerical order. There are spaces for the pupil's name and the teacher's signature on completion. Medals are awarded for completing cards; Bronze for card two, Silver for card four and Gold for card six. The scheme does not involve an exam.

Pricing for cards and medal award scheme:

Melody Movement Classes are invoiced half-terminly at **£6** per class. This is an all inclusive fee covering costs such as licensing and administering the programme, the sticker card items, the award stickers and the medals awarded throughout the programme.

The starter set contains:

- Clear plastic folder
- Full colour A4 size sticker collecting card 1
- Melody Bear's fun sheet 1
- Melody Bear's dance vocabulary sheet 1
- Melody Bear's balloon
- A *mystery* gift from Melody Bear

All in all, a very good value for money programme!

A Melody Ballet Club for children in Reception & Year 1 currently takes place at Stoughton Infant School. The class is equally suitable for girls and boys who are new to dance or who have previous/current dance experience. Class takes place at 3.00 – 3.40pm on Thursdays in the School Hall for approx 12 weeks each term. If you would like to book a place or discuss further details, please contact Elise Byng:
